Log Mantel Shelves Inventory

Best of Nature's rustic log and antique timber wood fireplace mantels are always available for immediate purchase and shipment. Mantels are available in many sizes and lengths, with our inventory changing frequently. Our Lay-away Plan can hold your mantel selections for up to 60-90 days or as agreed upon.

* Log mantel stock: We have sizes from 3' - 4' for the shorter lengths, and up to 8' and longer.

Our mantel lengths may vary and are kept as long as possible until the length needed is verified. Mantels are then trimmed to your desired length and refinished.

We may also have mantel stock available that is not inventoried and photographed yet - contact us with your specific details.
