Ordering Rustic Fireplace Mantels

Inquire with us on your initial ideas and needs by e-mail or call (715) 588-1241 to arrange an appointment time.

For a free estimate, you can return the **email request form** by filling out the form and sending an email. For an immediate request or initial consultation, please give us a call. *If you plan to visit - please contact us first for available appointment times and directions to our location.*

As we feel it is very important to have direct dialogue with you to discuss any desired changes, options, ideas, etc. that you may be considering, Countree Living/Best of Nature does not provide on-line transactions. Most material orders are either slightly or extensively modified, and we feel direct communication is mutually the best way to discuss all details and the many facets that can enter into customizing rustic furnishings.

Once above steps are in place, informational materials and a cost estimate will follow. Please advise our staff of any special custom or size needs/requests at this time. After all details are confirmed, a 60% deposit will be required to expedite the material order, along with a material order form completed with the furnishing details/options. The production scheduling/delivery timing can be discussed at this time.

Lay-away Program

If your furnishing needs are not immediate, we offer a lay-away plan which enables you to place an order and save! Here is how the program works:

1. If the timetable for your furnishing needs fall between 1 to 3 months away, this lay-away plan is for you! The benefits of this program help you save against any material price increases and assist in starting with special design changes you need to make for your furniture materials.
2. If there is a current, in stock mantel you would like to purchase for a later ship date, with a minimum deposit, we will secure that mantel for you. Contact us to discuss necessary changes to size or adjustments that may be desired.

Thanks again for visiting with us! If you need further information or assistance with any questions, design ideas, etc., contact us. If you wish to visit, please call ahead for an appointment.
